SUMMARY OF INFORMATION

The three Israeli hostages are currently located at Jabal ash Shumariyah. See ENCLOSURE 1. Their eventual release is facilitated by some "kind of (Israeli intelligence) "infiltration" in Lebanon.

Thomas Sutherland is currently located in an area next to the Wadi River. See ENCLOSURE 2. Sutherland's current location places him in an excellent position for a "quick release" if or as needed.

The name "Werner/Warner/Weriner" continues to surface phonetically to identify a person involved in the negotiations. Upon their release, the hostages will be released "through/to the east."

Joseph Cicippio, Edward Tracy, Alan Steen, Frank Reed, Terry Waite and some European hostages are currently located at Marj Uyun. See ENCLOSURE 3. There appears to be a tendency towards the formation of bigger groupings of hostages.

Terry Anderson is currently located at Zillaya. See ENCLOSURE 4.

It appears important to "keep the Shites talking."

There appears to be a strong possibility of a possible "payoff" by the US in German marks to facilitate the release of the hostages. Countries that appear to play a role in the
